An extension of time under 37 CFR 1.136(a) is required in order to make an examiner's amendment which places this application in condition for allowance. During a telephone conversation conducted on 07 September 2004, Attorney Roger Browdy requested an extension of time for 1 MONTH(S) and authorized the Director to charge Deposit Account No. 02-4035 the required fee for this extension and authorized the following examiner's amendment. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows: In claim 47, please delete "46" and replace with "43".

The following is an examiner's statement of reasons for allowance: The restriction requirement of record is hereby withdrawn in view of Applicant's remarks and evidence brought forth in the response of 04 August 2004. The objection to the disclosure regarding the title is withdrawn in view of the withdrawal of the restriction requirement. The provisional rejections for obviousness-type double patenting are withdrawn in view of the fact that the instant application is the first to issue. The
